**LEE ENTERPRISES NAMES DIVERSIFIED PLASTICS, INC.
A WINNER OF THE MONTANA TOP WORKPLACES 2021 AWARD**

Missoula, Montana July 25, 2021 - Diversified Plastics, Inc. has been awarded a Top Workplaces 2021 honor by The Montana Top Workplaces. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage, LLC](#). The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business."

ABOUT

Diversified Plastics, Inc. (DPI) is a manufacturer of plastic, industrial components located in Missoula, Montana, USA. We are family-owned and have been designing, fabricating, and molding plastic parts for a wide range of industrial and OEM applications since 1976. We excel in the water treatment industry, but also serve a variety of other sectors including agriculture, wood products, and mining. Our custom components can be found throughout the USA and abroad. Diversified Plastics' capabilities have allowed us to develop our unique "MultiFab" processes to create some of the most practical and cost effective components for water treatment available today.
